

## KISS Humanitarian Award-2009

### **Eulogy to Dr. Ham Kee-Sun** President & Founder, Hanseo University, Korea

*One needs conviction to risk a lucrative profession in favour of an uncertain venture of establishing a university. You had the courage to lead your new institute to be a global player within the shortest possible time. Your selfless commitment towards your profession, your versatility in diverse fields have been put to test and be it as a renowned plastic surgeon or be it as the Chairman of a professional body or be it as the Vice President of Korean national records or be it as a sensitive poet, you have proved to be winner. Worldwide recognitions illustrated through numerous Honorary Degrees and awards, proven leadership revealed through several distinguished offices, compassion demonstrated through humanitarian works, a creative moving heart exemplified through melodious lyrics and poems and the genius reflected in publications are only testimonies to your multi-dimensional charismatic persona. Concern for the poor, love for the young minds, tender poetic heart, surgeon par excellence, leadership have rolled into one in your towering personality. In admiration to your multi faceted personality, your vision for a beautiful world and your selfless dedication for the cause of education and ability to lead and your brilliance, the management of KISS and KIIT unanimously resolved to confer on you the KISS HUMANITARIAN AWARD – 2009.*
